Biography:

Min Kim has 15 years of experience in the financial and technology industry. Min is the founder of the ICON Project, a leading public blockchain project in the world. Previously, he was the Chief Strategy Officer of DAYLI Financial Group, Korea's largest fintech holding company, and the Chief Operating Officer at Tapas Media, a U.S. digital content distribution platform backed by Daumkakao and SK Planet. Min started his career at Deutsche Bank's technology investment banking division in San Francisco. He received his B.S. in Business Administration from Haas School of Business at University of California, Berkeley.
