

**Wonpyo Choi**

Partner of Bain & Company

Mr. Choi is a partner in Bain & Company's Seoul office. He leads Bain Seoul's Mergers & Acquisitions and Private Equity practices.

He has ample experiences in M&A projects for both private equity and corporate clients. He advised PE clients in more than 120 deals throughout the investment cycle from deal screening, commercial due diligence and post-acquisition value creations to exit support across various sectors, including consumer products, retail, e-commerce, financial services, media, industrial and services. He also helped dozens of corporate deals, primarily in cross-border due diligence and post-merger integration.

He earned an MBA with the highest distinction (Palmer Scholar) from the Wharton School and graduated Seoul National University with a bachelor's degree in Electrical Engineering with honors (summa cum laude).
