

## **Sherry Pon**

### **Senior Product Manager, Stryker APAC**

Sherry Pon is a Senior Product Manager at Stryker, specifically looking after the Public Access AED portfolio across Australia, New Zealand, and East Asia. She began her career in IT recruitment at a digital agency before moving into Human Resources at Stryker. Over the last four years, she has looked after the marketing function, advocating for more AEDs into workplaces and communities across her region. Sherry holds a Bachelor's degree in Communications from the United States.
