---

Steve advises Korean and foreign MNEs on International tax matters. His area of expertise lies in transfer pricing and other international tax matters including, *inter alia*, transfer pricing planning & policy setting, APA, MAP, TP documentation, PE risk assessment. Steve's practice also involves helping clients with tax audit defense and ensuing tax controversies and disputes.

Steve has over 11 years of international tax experience in Korea. Prior to joining Lee & Ko, Steve was senior associate in SHIN & KIM's International Tax Group and manager in Deloitte's Global Transfer Pricing Group. Steve has abundant experience across a wide range of industries such as manufacturing, distribution, finance (incl. investment banking), insurance, gaming, etc.

Steve is a member of the International Bar Association, the International Fiscal Association Korea, and the Canadian Chamber of Commerce in Korea.
