

## **Chulmin Lee**

Managing Partner and founding member of VIG Partners

Mr. Lee is a Managing Partner at VIG Partners, where he joined in 2005. Mr. Lee worked as a Senior Project Leader at the Boston Consulting Group (“BCG”) for five years, engaged in numerous post-merger integration, operational improvement, strategy development, commercial due diligence, and corporate restructuring projects. Mr. Lee managed most of BCG’s M&A and post-merger integration projects in Korea, including overseas strategic investments and cross-border post-merger integrations. Mr. Lee’s experience spans various industries, including industrial goods, financial services, consumer electronics, and telecommunications.

Mr. Lee holds an MBA from the Fuqua School of Business at Duke University, and graduated with a BS in Computer Science and Statistics from Seoul National University.
